

## EpiCentre Park Lane

### EpiCentre Spring 2010 Newsletter

As winter comes to an end, it is time to start focusing on improving your skin for the spring. Spring brings new beginnings. Winter often leaves us with dehydrated, flaky, dull looking skin. Changing up your skin care routine, proper exfoliation or even laser resurfacing can give your skin a new look. Visit with one of our highly qualified aestheticians and allow them to help you come up with a skin care program that will meet your needs. Consults are always free at EpiCentre and we are committed to bringing you the best products, latest technologies and compassionate care at affordable prices.

### Spring Happenings at EpiCentre Park Lane:

1. Join us for **“Peel Day”** and peel away the winter blues. On **Wednesday March 24<sup>th</sup>** our aestheticians will be performing **Skin Medica Chemical Peels from 9-5**. We will be offering 3 levels of peeling : **The Illuminize Peel** for gentle brightening, tightening and glow, **The Vitalize Peel** , a stronger peel for predictable and noticeable results. It improves texture, tone, hyperpigmentation and fine lines. The **Rejuvenize Peel**, the deepest Skin Medica peel that penetrates the skin with minimal irritation. Dee Brothers, Skin Medica specialist, will be at EpiCentre providing free skin care consultations to help educate you on the Skin Medica line and what their chemical peels can do for you. **All peels will cost \$100** providing you with a savings of \$20 - \$100 per peel. Call 214-887-1577 for your appointment.
2. Look for **EpiCentre Park Lane in Allure Magazine celebrating “Spa Week” April 12<sup>th</sup> – 18<sup>th</sup>**. We will be offering special **\$50 signature treatments**. During Spa Week we will be offering a Deep Pore Cleansing Facial, a Microdermabrasion with Exfoliating and Hydrating Mask or a Skin Medica Illuminize Peel for \$50. Celebrate Spa Week at EpiCentre and look your best.
3. **Spring Open House – EpiCentre Park Lane will be hosting our Spring Open House on Thursday evening May 6<sup>th</sup> from 5:00 – 7:30PM.** Join us and some of the physicians from Dallas Plastic Surgery Institute for wine, hor'dourves, and information on the latest treatments. We will have skin care representatives from Skin Medica and Obagi, we will be giving demonstrations on Zeltiq, Thermage CPT, Fraxel Dual and Ultherapy. We will be offering discounts on products and/or services purchased that evening. Look for our e-mail blast for further updates.

### Featured Products:

**Obagi Nu-Derm System -** The Obagi System can transform aging, photodamaged skin into skin that looks and acts younger. Obagi products penetrate the skin's surface and transform skin cell functions at the cellular level. They correct damage within the skin. Obagi provides 4 phases of Transformation: Out with the Old, In with the New, Healthy Glow and The New You. Products in the Obagi Line include a Gentle or Foaming Cleanser, Toner, Clear, Exfoderm Forte, Blender, and Tretinoin (Generic Retin-A). The Obagi System is prescription based and can be tailored for your specific skin care concerns.

**Obagi Elastiderm Eye Gel -** Bring back the SNAP in your skin with Elastiderm. This eye gel is not a moisturizer, it is a bi-mineral complex that has been clinically proven to help replenish elastin and build collagen to restore elasticity in your skin. Use it twice a day to visibly reduce

fine lines and wrinkles in as little as 2 weeks. Elastiderm Eye Gel is an excellent addition following Botox or Dysport around the crows feet. \$90

**Nectifirm by Revision Skincare** - Back by popular demand EpiCentre brings back Nectifirm. It is the only product that addresses all of the changes that occur as the skin on your neck ages. Backed by intensive research, it is the most complete treatment for firming, smoothing and hydrating the neck and décolletage. It is proven to firm and tighten, reduce the appearance of fatty tissue and lessen fine lines and wrinkles. 96% of patients experienced a firmer neck with Nectifirm. \$60

**IS Clinical Youth Eye Complex** – EpiCentre now stocks the latest eye crème from IS Clinical – Youth Eye. It smooths, hydrates, reduces fine lines and wrinkles, reduces puffiness and decreases dark circles. It provides powerful antioxidant protection and plumps the tissue around the eye. \$85

**Skin Medica TNS Essential Serum** - is an unprecedented combination of the renowned growth factors in TNS Recovery Complex and APS antioxidant, peptide Corrective Complex. TNS Essential Serum is a one stop shop for growth factors and antioxidants. It will Recover and Regenerate your skin. Get 2 revolutionary anti-aging formulas in 1 remarkable serum. During March EpiCentre is offering **buy 1 TNS Essential Serum at the regular price and get a 2<sup>nd</sup> one at ½ price.** Commit to 3 months of Essential Serum and see new and improved skin. \$250

### **Updated Technologies:**

**Fraxel Re:Store Dual** - EpiCentre has been having excellent results with the new Fraxel Re:Store Dual laser. Fraxel Dual provides non-ablative laser resurfacing to the face and body in a safe, predictable and efficacious treatment that allows for rapid healing and minimal downtime. The Dual combines 2 laser wavelengths allowing for a higher percentage of coverage in a single treatment. Both superficial photodamage, discoloration and deep tissue issues such as wrinkles and scars can be treated effectively with Fraxel Dual.

EpiCentre patients that purchase Fraxel Dual treatments will receive a **free Skin Medica Post Procedure Kit** (\$130 Value) to optimize results.

EpiCentre offers a wide range of laser and skin care services and can customize a treatment plan for you. We offer: Fraxel Re:Store Dual, Thermage CPT Face and Body, Ulthera, Pearl and Pearl Fusion Resurfacing, IPL/Photo Facial, Laser Hair Removal, Microdermabrasion, Chemical Peels, Deep Cleansing Facials, Tattoo Removal, Botox/Dysport and Dermal Fillers, and Veinwave.

Let the highly trained staff at EpiCentre help you look and feel the very best you can be. Call to set up a complimentary consultation at 214-887-1577
