CANCELLATION & RETURN POLICY

CANCELLATION POLICY

Your appointments are very important to the team members of EpiCentre and these times are reserved especially for you. We understand that sometimes schedule adjustments are necessary; therefore, we respectfully request at least 24 hour notice for cancellations.

STRICT AND ENFORCED 24 HOUR CANCELLATION POLICY!

Please understand that when you forget or cancel your appointment without giving enough notice, we miss the opportunity to fill that appointment time and patients on our waiting list miss the opportunity to receive services. Our appointments are confirmed 48 hours in advance because we know how easy it is to forget an appointment you booked months ago. Since the services are reserved for you personally, a Cancellation Fee will apply.

1. Less than 24 hour notice will result in a charge equal to 50% of the reserved service amount.
2. "NO SHOWS" will be charged 100% of the reserved service amount. If you prepaid for a service or package, that service will be taken out of your package as if it were used at that particular time.
3. Appointments made within the 24 hour period and need to cancel, the patient must cancel within 4 hours of appointment time or will result in a charge equal to 50% of the reserved service amount.
4. Please understand late arrivals will not receive an extension of scheduled services in order to prevent inconvenience to the next patient scheduled and the same treatment price will apply.
5. Any service requiring a 2 hour or more appointment time, will require a 50% deposit to hold that particular appointment.

Our Cancellation Policy allows us the time to inform our standby patients of any availability, as well as keeping our EpiCentre team member's schedules full, thus better serving everyone. EpiCentre policies are presented and provided in the best quality and tradition of excellent service for our established and future patients. Thank you for viewing and supporting our policies criteria.

RETURN POLICY

- Absolutely NO refunds on services, packages or products.
- All pre-paid services and packages must be used within one year from the date of purchase.
- Product returns or exchanges must be within 30 days from date of purchase and must be unopened with your receipt. A credit will be issued to be used within EpiCentre.
